

Topgolf Challenge

to support Brightlane Learning
Wednesday, September 13, 2023
Noon to 3:30pm

Show off your driving skills and support the fight against childhood homelessness.

Help ensure Brightlane has the financial resources to serve a record number of students in the 2023-24 school year by competing in the Step Bright Up Topgolf Challenge. Create a team with friends or elevate your support by becoming a sponsor. It's a great chance to have fun while supporting children impacted by housing insecurity and homelessness.

Space is limited!
